7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 NORTHWESTERN UNIVERSITY,

11 Plaintiff,

12 v.

13 KING COUNTY,

14 Defendant.

CASE NO. C20-1043JLR-JRC

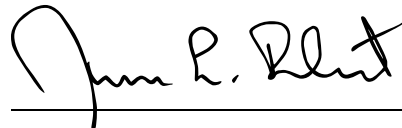

ORDER

15 Before the court is Plaintiff Northwestern University and Defendant King
16 County's second stipulation and proposed order to continue the trial date and related
17 deadlines in this matter. (8/10/22 Stip. (Dkt. # 47).) The parties represent that they have
18 made significant progress in completing discovery, that they have turned their attention to
19 resolving the dispute, and that they believe they are likely to resolve this case before any
20 of their proposed deadlines pass. (*Id.* at 1.)

21 The court GRANTS IN PART the parties' stipulation and proposed order to
22 continue the trial date (Dkt. # 47). Although the court will accommodate a trial

1 continuance, the parties' proposed trial date, February 27, 2023, conflicts with a trial in
2 another matter. Accordingly, the court VACATES the current case schedule (5/25/22
3 Order (Dkt. # 46)); RESETS the parties' bench trial on March 27, 2023; and DIRECTS
4 the Clerk to enter a new scheduling order based on the March 27, 2023 trial date.

5 Dated this 11th day of August, 2022.
